DESPITE THE ORGANISERS TAKING ALL

ACCIDENTS CAN HAPPEN. IN RESPECT OF THESE YOU ARE PRESENT AT YOUR OWN RISK

The MDA would like to offer a warm welcome to all drivers, officials, marshals, spectators, friends and family to Round One of the BTRDA Clubman's Rallycross Championship here at Blyton Park, with the event being held two weeks earlier than usual owing to an early Easter.

It is wonderful to see a mixture of both new and returning entrants to Rallycross at Blyton, and are thankful for your support of the events. The Cross Car class has certainly grown since they were last here, sporting the biggest grid of the event with 11 entries.

We would also like to express our gratitude to all marshals, officials and volunteers for their support of the MDA events at Blyton Park, without the support of whom these events could not run.

The MDA is a non-profit organisation, made up entirely of volunteers, who have great enthusiasm for the running of our events and ensure the continued running of them is possible. New volunteers are always welcome, and greatly appreciated. If you would like to offer some support, please do speak to one of the MDA Officials in the Secretary's office.

The next Rallycross event due to be held at Blyton Park, which is also part of the 2024 Autosport International BTRDA Clubman's Rallycross Championship, will take place on Sunday 30<sup>th</sup> June, and we look forward to seeing you all then.

We wish you all an enjoyable and safe days racing.

Best regards, The MDA Committee

#### 2024 BTRDA Rallycross Championship Preview

On behalf of the BTRDA Rallycross Championship and all our sponsors we would like to welcome you to round 1 of the 2024 Autosport International BTRDA Clubmans Rallycross Championship presented by MRF Tyres and supported by The MOT Group.

Today will see the 2024 Championship get underway and a high quality 45+ car entry has been assembled to race on the 'new' Blyton Park Circuit Rallycross layout. The Championship runs from March to October and will visit 4 top UK Rallycross circuits, across 6 weekends and allows all drivers to count their best 7 scores. The Championship also brings back the ever popular 'double points' scoring round taking place at Knockhill in October.

This season should see championship registrations reach 100 drivers, old drivers returning, new drivers joining the series and one of the most promising categories FIA Cross Cars expected to reach 20 vehicles by mid season. Interest is extremely high from across the sea and its expected a number of Irish, Belgian, Dutch and French all expected to take part with Lydden Hill in August expected to receive the largest entry of the season as the championship joins forces with the 5 Nations Championship for the inaugural 2wd Superprix.

#### Modified 4x4:

The new name for the production based 4x4 category which will see Production 4x4 spec cars such as Chris Barker (Subaru) and Tomas Ramanauskas (Mitsubishi) battle against the BMW Mini ALL4 R60 spec cars. The category has attracted a low entry for this event with the above 2 cars doing battle with the 2023 ALL4 Champion Max Langmaid. It is expected that other R60 spec ALL4 Mini's will join other events during the season and there is at least 1 more Subaru set to join the field.

#### **Super Modified:**

By far one of the most diverse categories in the championship see's everything from a 4ltr V8 Mercedes SLK to a Citroen Saxi VTS and a MG ZR Turbo all competing here today. Picking a pre event favourite is tough especially as Fred Ling is only racing in selected events this year. The likes of Todd Crooks, Gary Cook and Phil Chicken are sure to be at the top of the order. Former junior rallycross driver Corey Padgett will be making his super modified debut at the wheel of a Super 1600 spec Citroen C2. With some winter work done on the SLK Mercedes, Richard Moore will be hoping changes to steering and suspension will help the brute get around the Blyton layout.

#### **BMW MINI:**

The BMW Mini category with it's identical R53 cars has attracted a strong entry to Blyton with 2023 champion Ben Sayer returning to defend his crown. He is sure to face some stiff opposition this year with the likes of Harvey Harman, Gus Glass, and Dave Ellis all sure to be challenging for top honours. Former rally driver Lyn Llewellyn will be looking to upset the regulars in his first full BTRDA season.

#### **Production**:

The production category for 2024 will see a great mix of drivers, some new, some returning and some hoping to move up the points table in 2024. A low entry by normal standards will do battle at Blyton with 4 cars set to do battle, racing should be fierce between the like of Mark Henry, Alex Fletcher and Martin Peters. Other drivers joining the series later in the year include Neil Brooks with a new Clio, Tom Brooks with a Honda Type R and James Ashe with another Clio, which will help the category get back to double figures.

#### Pre 1995 Classic:

With 2023 Champion Lee Wood looking like he will be missing in 2024, and with the likes of John Cross and Davy Crockett not joining the series until Pembrey at the end of April, it is left to the likes of Alan Tapscott and Jamie McBain to do battle at Blyton. Jamie will debut a brand new Peugeot 205, whilst Alan Tapscott has a new engine on order which should appear by mid season. Add into the mix the likes of Marc Jones, Thomas Edmunds in a brand new Corsa, and Dan Swayland the racing should be great. Other cars which will appear from Pembrey onwards include Daryl Ambrose, Rwd 205, Ricky McAlonan, Nova, Richard Moroney, Escort and Charley Moroney in a MK2 Escort.

#### Juniors:

The 13-17 year old Junior category has received a strong entry for round 1 and is sure to grow in future events. With top drivers from previous seasons all moving on including Will Ovenden, Corey Padgett and Tyler McAlpin it really has opened it up to new challengers. Newbies Elliot Frewster, former JSCC driver and Hayden Harriss will be hoping to get up to speed quickly to challenge the more regular drivers such as Tighe Wratten, Ben Bartlett and Teddie McPherson.

#### FIA Cross Cars:

In only it's 3rd, the FIA Cross Category has assembled its largest entry to date here at Blyton with 11 drivers set to do battle. The 2023 Champion Will Butler returns to defend his title this time at the wheel of a brand new LifeLife TN11 Cross Car. With 5 manufacturers on the grid at Blyton the highest seen since the category started in 2022 and with many new drivers, this really should be the category to watch in 2024. Some names to watch out for include Supercar driver Dom Flitney, stunt lady Ansko Pitkanen and Rally driver Richard Rees.

#### FIA Junior Cross Cars:

For the first time ever FIA Junior Cross car has also been adopted by MSUK and the BTRDA Championship running a full FIA spec Cross Car with an MT07 engine. For 2024 this will operate as a class with no overall championship points available, there has been strong interest so far and it is hoped we have a few cars on the grid by the end of the 2024, ready for a full season in 2025.

Our next rounds of the Championship take place at Pembrey Circuit in South Wales on Saturday and Sunday 27<sup>th</sup> and 28<sup>th</sup> April. We are expecting a very large, strong entry and would advise you to enter early which will be via the BARC entry online portal ASAP.

Have a great days racing
