

## An Important Message For All Junior Competitors

At the AGM in November a team of three "oldies" were voted in to undertake the roles of "Junior Driver Representatives" they are, in no particular order : Peter Geer, David Walmsley, Hugh Davies and myself, it's our "lot" to make your "lot" somewhat better.

We were selected on different merits, Peter is fair and straight forward, Hugh is Welsh, David is good with kids, he used to be one, and I haven't grown up yet, so know where it's at !

Peter is Jordanlee's dad, Hugh is Ash's and David is Tommi's, all of who are racing out there with you and if you don't know me, I'm Ralph Budd and race in the "Old boys" Mini-Cross formula, this season I'm wearing 404, as I was last season (no improvement there then !).

We can all be found loitering somewhere in the pits on race days. If you're looking for me, follow the banging sound, I tend to spend my day knocking out dents under a green awning, if not out of mine then out of Dan's car, he's my son, 22 going on 12 and will be sporting 405 in the same "Old boys" formula. (at least he knows his place, one behind the ol' man).

If you've got a problem with the organisers, Clerk of the course, Scrutineer's, that nasty David Hobbs, or another competitor, perhaps you just need some advice or a hand with your car, then come and see Peter, Hugh, David or me. If we can help, we will and if we can't, we'll probably know a man who can.

But don't wait until you or the team boss (hereafter referred to as Mum or Dad) have got a gripe, just come over and introduce yourself, say hello.

Off of race day : you can ring me on (07850 208814) at any reasonable time, fax me on 01844 238949, E-mail me at : [ralph@avsttc.fsnet.co.uk](mailto:ralph@avsttc.fsnet.co.uk) or write to me at :
